Re: **Fall 2020 Ten-day Census – Official Enrollment Data** *www.oir.uic.edu*

Enclosed are UIC's official fall enrollment data as of the tenth-day census. *Total enrollment* increased slightly from 33,390 (2019) to 33,518 (2020), an increase of 0.4%. This is UIC's highest fall 10th day enrollment and is the sixth consecutive year of increases.

Undergraduate enrollment continues to grow, increasing from 21,641 (2019) to 21,921 (2020), an increase of 1.3%. This increase is largely driven by a 7.0% increase in continuing undergraduates, increasing from 14,787 (2019) to 15,823 (2020). The increase in continuing undergraduates is due to larger entering first-year cohorts in fall 2017 through fall 2019 (ranging from 4,050 to 4,407, up from 3,307 in fall 2016), and improving retention (82% one-year retention this fall). The number of first-year undergraduates declined by 19.7%, from 4,407 (2019) to 3,541 (2020). The number of new transfers increased by 12.1%, from 2,069 (2019) to 2,319 (2020).

Professional student enrollment declined slightly, from 4,177 (2019) to 4,155 (2020), a decrease of 0.5%. It topped 4,000 for the first time last year with the addition of UIC John Marshall Law School.

Graduate student enrollment declined from 7,572 (2019) to 7,442 (2020), a decrease of 1.7%. This is the fifth consecutive year of decreases.

UIC Global enrollment increased from 983 (2019) to 1,037 (2020), an increase of 5.5%.

Table 1 has enrollment trends by student level by college. Table 2 shows race and ethnicity for the total campus. Table 3 shows undergraduate student enrollments by race and ethnicity. Tables 4 and 5 show graduate and professional students by race and ethnicity. Table 6 has that data for new first-years and table 7 includes new transfer students. Tables 8 summarizes new and continuing students by various student types (categories) and table 9 does the same by college. Table 10 provide additional details for all students by level; Table 11 does the same for entering first-year and new transfer students.

The on-line student data book on the OIR website (<http://www.oir.uic.edu/>) will be updated by Monday, September 14th, 2020. Official retention and graduation rates will be available on or before Friday, October 2nd, 2020. Please do not hesitate to contact me with any questions or requests for additional information. Thank you.

Enclosures
