Introduction

Enclosed are the official graduation and retention rates for undergraduates updated with rates for the most recently available cohorts. Below is a summary of graduation rates and retention rates. Additional data are available through OIR's interactive [graduation](#) and [retention](#) rate dashboards. Please note that the dashboards are only accessible to current faculty/staff who have completed UIC's FERPA training and will require login with your UIC NetID credentials. Vice Provost Nikos Varelas will conduct an in-depth retention presentation at the November Dean's Council.
