Re: Fall 2024 Graduation and Retention Rates

Introduction

Enclosed are the official graduation and retention rates for undergraduates updated with rates for the most recently available cohorts. Below is a summary of graduation rates and retention rates. Additional data are available through OIR's interactive [graduation](#) and [retention](#) rate dashboards. Please note that the dashboards are only accessible to current faculty/staff who have completed UIC's FERPA training and will require login with your UIC NetID credentials. As per the Fall 2024 Enrollment memo there will be a joint presentation of the Office of Institutional Research, the Office of Enrollment Management and the Office of the Vice Provost for Academic Programs and Effectiveness.
